Some tiny words of explanation...

We are Sparky Teaching. Presuming you're no average teacher, you'll be looking for no ordinary resources. Here you go: www.sparkyteaching.com/resources/ Ask your boss to order some of our cards or the ever-popular Everything Pack! Whatever we do - from revision cards with built-in Stress-Busters to cards that promote a Growth Mindset - emphasises the stuff that matters, has your children at its centre, will make you smile and comes with a twist. Hope you like the above door hangers... No.1 is based on an anonymous quote we saw (and loved) on Twitter recently. You'll recognise the concept behind No.2 if you've read our book - 365 Things To Make You Go "Hmmm..." which you can find out about here: www.sparkyteaching.com/resources/thinkingskills/hmmm.php And No.3 is just something to help you announce to the world what's going on behind your door. Now let's see some door hanger selfies! We're @SparkyTeaching on Twitter.

PLEASE SUPPORT WHAT WE DO BY

- 1) READING THE SMALL PRINT!
- 2) ASKING YOUR BOSS WHETHER YOU CAN GET OUR STUFF
- 3) TWEETING A CLASSROOM DOOR PIC!
- 4) STAYING SPARKY
- 5) BEING THAT ONE CONSISTENT PERSON YOUR CLASS CAN RELY ON,
NO MATTER WHAT'S GOING ON OUTSIDE OF SCHOOL
